Mr. Leija:

I just wanted to share with you the results of this year's minority recruiting effort by Yale University. Last year, Yale received 89 Mexican-American applications nationally. This year the number has increased to 115.

From our area, Yale received 19 applications, 17 of those being from Mexican-Americans. This is a record for Corpus Christi.

I know that all of your efforts made a significant contribution to our area's success. I thank you and the GI Forum for your concern about the education of Corpus Christi's youth.

Mr. Fearey;

I am so grateful to again have the honor of being the recipient of the Morton L. Fearey Memorial Scholarship. I thank you for your concern about the growing problem of financing a college education.

Enclosed is a copy of my resume, a newspaper article, and a business card. I hope these things will provide you with a better understanding of my character.

I hope we can get together in New York sometime this spring.

Sincerely,

Dear Francine;

Enclosed is a copy of my resume, a newspaper article, and a business card. All of this material was mailed to Mr. Mike Mullen; Senator Bentsen's summer internship director.

I think my resume clearly describes my leadership abilities. I plan to run for President of my college council; and I plan to recruit high school seniors again next year.

Thank you very much for all of your help. I appreciate anything that Congressman Patman will write on my behalf.

Sincerely,

Gilbert Garcia
