Dear Hector:

I wanted to personally thank you for your telegram as well as your excellent recommendations of Dr. Cleo Garcia and Dr. Fermin Calderon.

As you probably know, I am receiving recommendations for appointment to the University of Texas System Board of Regents as well as the Pan American University Board of Regents. I especially appreciate receiving well-reasoned recommendations such as your own. It is encouraging to me that well-qualified people such as Dr. Garcia and Dr. Calderon will offer themselves for public service.

I assure you that I shall give your letter my serious consideration.

Sincerely,

A handwritten signature in cursive script, appearing to read "Dolph Briscoe".
