Re: Cisneros v. Corpus Christi I.S.D.
C.A. No. 68-C-95

Dear Dr. Garcia:

Thank you for the information you have sent us concerning the School District's request for construction of a new elementary school in the vicinity of Club Estates No. 4 (Saratoga-Oso area). The construction of this school and its pairing with Travis Elementary School upon its opening in fall 1980 appear to be consistent with prior Orders in this case. Accordingly, the United States cannot object to this construction.

Please be assured that your views were fully considered in this matter, and thank you again for your interest.

Sincerely,

DREW S. DAYS III
Assistant Attorney General
Civil Rights Division
