Texas State Aquarium™

April 4, 1990

Dr. Hector P. Garcia, Founder
American G. I. Forum
1315 Bright Street
Corpus Christi, Texas 78405

Dear Dr. Garcia:

I am writing to let you know that the Grand Opening of the Texas State Aquarium will be held the weekend of July 6-8, 1990.

While details as to the exact schedule for that weekend will be sent to you at a later date, I wanted you to mark your calendar now. You have been a strong supporter of the Aquarium, and it is only fitting that you be one of our honored guests during our official opening ceremonies.

Very best regards.

Sincerely,

Luther Jones
President
