TO THE SCHOOL OFFICIAL ADDRESSED:

On September 12, 1970, the State Board of Education approved four new courses and the requirements for teachers of those courses. The standard on number of days of school operation was changed from 175 to 180 days. These changes are found on pages 32b, 35, 43, and 51 of Bulletin 560.

In January 1970 you were sent one copy of Bulletin 560. We are now enclosing a copy of these pages to be added to your master files. Please discard the old pages from your master copy and replace with the corrected pages. You may reproduce as many copies of these pages as needed in order to supply your staff.

Sincerely,

A handwritten signature in cursive script that reads "H. E. Phillips".
