IN REPLY REFER TO:

Mr. Crispin E. Sanchez
1570 Oak Avenue
Evanston, Illinois 60201

Dear Mr. Sanchez:

I have your letter of November 4, 1969 and regret very much to know that Dr. Joaquin Cigarroa was not named to the Coordinating Board.

Inasmuch as I am not a resident of Texas at this time, I have no official capacity in which to press my objections on the Governor. I believe that a much more effective course would be to make the entire Mexican American community in Texas aware of their loss. With this in mind, I am sending a copy of your letter to Dr. Hector P. Garcia, National Chairman of the American G I Forum.

Sincerely,

A handwritten signature in cursive script, appearing to read "Vicente".
