Honorable John Young
U.S. Congressman 14 Dist.
Office of the House of Rept.
Washington, D.C.

Dear Congressman Young.

O
It was great to have seen you here with Secretary Udall. We were very pleased and honored. We were so much more happy because you looked so fine. We were worried about your little girl's illness affecting you or worrying you. We were also very pleased in knowing that she is so much better.

P
I am enclosing a picture of your reception at the Driscoll Hotel. You came out very nice and distinguished. Everyone I have spoken to is very complimentary about your visit here. They were also very pleased with Secretary Udall and his message.

Y
Congressman, I understand that Ramie Mugerza wrote to you requesting a letter of recommendation. He wants to take a job in Washington. I know Mr Mugerza and his family and I would like to recommend him and also place his name for your consideration. His sister is already in Washington and I believe Ramie would make a go of it. We have some friends who could help him get a job. Therefore I would also appreciate it if you would give him such a letter. He is well known to us and I can assure you you have no worry in giving him such a letter.

I hope your little daughter is doing better. I believe it will work out in time. I have seen several patients like her. Although I haven't seen here my patients go through a period like that and then they have a little muscle or group muscle atrophy and then in about a year or so they are back to normal since they other muscles and nerve take up that function and she gets new nerve and blood supply. So don't give up.

In the meanwhile, we want you to know that we are always with you. I have sent Secretary Udall a letter of thanks. Let me know if there is anything I can do for you.

Su amigo .

Hector.
