REPUBLICAN GOVERNORS' CONFERENCE

The President's Remarks to Participants in the Conference at  
Williamsburg, Virginia. April 19, 1971.

"Thursday of last week I had a request to receive a group from  
Texas, from Rio Grande High School. Senator Tower, who recommended  
strongly that I see this group, told me in advance that Rio Grande  
High School was in the poorest county in all of Texas. He said  
this group was primarily a Mexican-American group. "But," he said,  
"I hope that you see them." And.....I did.
