

MULE STEW a la TEXAS

Take one large size Texas Jackass from the White House. Remove hide, taking care not to mar the George Parr, Billie Sol Estes, and Bobby Baker "Bar Nothing" brands. Scour the meat thoroughly to remove the veneer of sincerity. Season with a GRAIN of salt. Place choice cuts in a large vat and cover with Gold Water. Boil until the first Tuesday in Nov. Strain through a ballot box. Throw away the mule and serve the Gold Water. Serves 190 million people.

Dear Doctor,

Sept. 28, '64

Due to the fact that the medical profession is now directly menaced by the encroachment of Big Government in the form of Socialized Medicine; and, due to the fact that surprising numbers of individuals assuming responsible leadership in pro-Goldwater organizations are doctors; and, due to the fact that the A.M.A. has repeatedly taken a stand opposed to Medicare as being proposed by the Johnson forces in this election, this letter is addressed to members of the medical profession in an attempt to accomplish the greatest possible promotion of Sen. Goldwater by the use of my Goldwater Stamp Stickers.

Many customers who have ordered the largest amounts of stamps have been doctors. It is my belief that doctors are, in the majority, favorable to Goldwater. Therefore I am taking this means to offer you : a chance to spur interest in favor of Sen. Goldwater; a chance to promote Sen. Goldwater each time you mail a letter; a chance to donate a little to Barry's campaign finances.

Outside of all my expenses for paper, postage, envelopes, advertisement, and hired help I am donating approximately half of my profits to Barry's campaign. These stamps have been sold from Canada to Panama and throughout the fifty states between. From now until Nov. I am doing everything possible (witness this letter to doctors) to put these stamps to use and working for Goldwater's campaign.

If you would care to buy some simply use one of the enclosed order blanks. If you can possibly obtain wider distribution of the order blanks (by taking a few to your local Republican Hdqts.) I would deeply appreciate the gesture. If more order blanks are needed please advise.

Thanking you for your time and interest, I remain.

Most sincerely yours for Barry and freedom,

Robert O. Bakhaus
