Dear Dr. Garcia:

Thank you for the materials concerning the activities of Concerned Neighbors, Inc. during the early stages of the Cisneros litigation.

It appears that Judge Cox is coming out with his new order sometime in early December. I will send you a copy of it as soon as it is available in final form.

It was a pleasure to see you the other day and we very much appreciate your continued cooperation and patience with this lengthy affair.

Yours truly,

DIXIE, WOLF & HALL
