

January 15, 1990

Dear Alumnus:

On behalf of The University of Texas Medical I Wish to extend a special invitation to you to join us March 16-17, in Galveston, for UTMB's thirteenth annual Homecoming.

UTMB, like Galveston Island, has changed tremendously in the last few years. Changes you will be proud to see and experience.

The Homecoming program has been developed to give you a chance to visit your colleagues and reflect on their personal and professional changes.

Our Continuing Education program, "AIDS: Update," will feature some newcomers to our outstanding faculty as well as some familiar ones. The afternoon clinical breakout sessions will give you an opportunity to visit individual clinical departments.

Your registration form is enclosed. I look forward to seeing you at Homecoming.

Cordially,

A handwritten signature in cursive script, appearing to read 'Thomas N. James'.

Thomas N. James, M.D.
President
