Dear Dr. Garcia:

Thank you so much for the honor of accepting to serve on the Lorenzo de Zavala program of my Governor for a Day celebration in Austin next March 8, 1986.

As my Administrative Assistant Fred Stansell related to you, I want to take advantage of the Texas Sesquicentennial to focus not only on the historical contribution of Lorenzo de Zavala, but other Mexican Americans as well. In addition, I would like to see some of the present issues affecting Hispanics organized into a perspective on the future.

Your suggestions and ideas will be greatly appreciated and as the program unfolds I or Fred Stansell will be in touch.

Thank you again for this honor and please call me if you have any questions or need further information.

Sincerely,

A handwritten signature in cursive script that reads "Carlos".
