Dear Dr. Garcia:

On election night, May 3rd, President Carter called from Camp David to express his delight over the results of the Texas primary and precinct conventions. Since that night, we have been able to report to him that his delegate strength has increased significantly at the county and Senatorial District conventions. The President asked us to convey his deep gratitude for all your efforts during the primary and to urge you to continue your efforts toward a successful campaign in the fall.

We also would like to thank you for all your hard work on behalf of the Carter/Mondale campaign. Without you, we could not have achieved this outstanding victory in the Texas primary.

With the support of Texans like you, we have won the first round. But the fight is far from over. To secure victory in November, President Carter must carry Texas. And to carry Texas, he needs your involvement in his campaign. Your commitment to Jimmy Carter produced brilliant results on May 3rd. With your continued participation, we can achieve a greater victory in November.

Best wishes,

Bob Beckel
Texas Campaign Director

Texas Field Director
