Dear Voter:

An important election is to take place on July 8, 1961 which is of tremendous importance to the education and welfare of our children. The election of which I make reference to involves Del Mar College.

Recently, you will recall an election took place whereby part of the city was annexed into the Del Mar College district. As a result of this annexation, it has become necessary that a re-voting of the tax that is required to be paid in this district take place.

For the past years, Del Mar has had a tax authorization of 30c; and it is imperative that this new area that we have just annexed also pay the 30c tax that is imposed in this district. This election is the second part of the "Annexation Movement."

The first, as above mentioned, was the creation or annexation of the district; and the second is the re-voting of the tax authorization.

The only requirement for you to be eligible to vote in this election is that you be a property owner who is a qualified voter.

You are urged to vote on July 8, 1961 so that our children can continue to receive the excellent education that they have in the past.

P. S. Vote "for" on this proposition.

Yours very truly.

OSCAR M. GARCIA, D.D.S.
Chairman of Education Committee
