April 25, 1986

Dear Dr. Garcia,

I want you to know how much I appreciate your letters, your visits, the flowers, and all the many nice things you did for Larry and me following his accident.

I'm enclosing your credit card. I didn't use it but thank you so much for your thoughtfulness.

This has been a very difficult time but I'm so grateful Larry and I have a friend like you. Sincerely,
Carmen Weiser
