Dear Sir:

Mrs. Lopez is sick and needs medical assistance, medicines, and a doctor to treat her. She is a widow and has no income.

Mrs. Lopez states that her doctor told her she had  
Hypertension  
Sciatica  
and other conditions.

Please look into her case and see what can be done. Also, find out if she is entitled to any help from the State due to the death of her husband.

Neither the State, county or city welfare has ever offered her help. Please advise me by writing as to the disposition of her case.

Yours truly,

  
Hector P. Garcia, M.D.
