Dear Dr. Garcia:

Thank you for your letter of December 7, 1977 and the attached newspaper articles reporting on the results of Everyday Skills Test in the Corpus Christi Independent School District. You can be assured that I will submit the information to our Washington office for possible inclusion as an addendum to the report of the Mondale hearings.

I appreciate your kind words regarding the hearing conducted in Corpus Christi. As I stated in my closing remarks, I was very impressed with the testimony given; the statistics you provided were very revealing.

Fondest personal regards.

Sincerely,
