OFFICE OF THE GOVERNOR
AUSTIN, TEXAS 78711

ANN W. RICHARDS
GOVERNOR

June 24, 1992

Greetings to:

Irene P. Cipriano

It is my pleasure to commend the outstanding contributions you have made to your community.

Your efforts on behalf of Corpus Christi schoolchildren set an example we should all follow of commitment to the personal and educational needs of our children. As a leader of the Mexican-American community, you have helped ensure that every citizen has a voice in the community and in government. It is citizens like you, concerned for the rights and needs of every Texan, who make our state as strong as it is.

All my best, and keep up the good work!

Sincerely,

ANN W. RICHARDS
Governor
