Dear Doctor and Mrs. Garcia:

Thank you for your recent correspondence regarding H.R. 16900, the Holt amendment. This amendment was passed by the House of Representatives on October 1, but it was subsequently dropped by the Senate Committee during its consideration of H.R. 16900.

During the House-Senate Conference, however, the House language was reinstated, and it was subsequently passed in the House of Representatives. It is my understanding that the bill should come up in the Senate for a vote very soon.

I certainly appreciated hearing your views on this important matter and will certainly keep them in mind. Please do not hesitate to contact me if I may be of further assistance.

Sincerely yours,

  
John Tower
