

THE STATE OF TEXAS  
14TH COURT OF CIVIL APPEALS  
HOUSTON

FELIX SALAZAR, JR.  
ASSOCIATE JUSTICE

May 11, 1979

Hon. Dr. Hector Garcia  
1315 Brite  
Corpus Christi, Texas 78405

Dear Dr. Garcia:

Some time ago I took the liberty of sending you my resume, with the idea in mind of reacquainting myself with you and for consideration by you for a recommendation to Senator Bentsen to a Federal Court Bench.

At that time no vacancies existed in the Southern District of Texas. However, since the Hon. Reynaldo Garza is being elevated to the Fifth Circuit Court of Appeals, a vacancy will be created.

Doctor, I and my family would certainly appreciate any consideration you may give my request for a recommendation to Hon. Senator Lloyd Bentsen.

As you may not be aware, I am marking my 31st year as an active member of LULAC. I have served LULAC on a local and national level and am fully cognizant of the problems facing "nuestra gente" as well as the community as a whole.

I feel that my experience in the field of LULAC and the field of law will stand me in good stead should you see fit to recommend me to the Senator.

As I have said in the past, Doctor, "estoy ha sus ordenes".

Respectfully yours,
