Dear Doctor:

You should have received a copy of the memo I sent out, urging all the groups to send letters or telegrams to the President in behalf of Vicente Ximenes. They were mailed out March 2, 1967.

Also, a follow-up telephone call to the State Chairmen, with the exception of Texas. I am sure that you have already spoken to Ruiz.

Enclosed is an interesting article for you to read.

Sincerely yours,

Louis P. Tellez
National Chairman
