WASHINGTON

Dear Dr. Garcia:

The President has asked me to thank you for your letter of December 31, 1965, concerning your recommendation of Mr. Gilbert Herrera for appointment as Deputy Director of the Job Corps in the Office of Economic Opportunity.

Although Mr. Herrera appears to have a fine background, unfortunately, a decision had already been made regarding the position in question before your letter arrived. The Office of Economic Opportunity recently announced the appointment of Mr. David Squire to be Deputy Director of the Job Corps.

Nevertheless, I am very pleased to have Mr. Herrera's name to add to my own file of capable people, and he will be kept in mind for an appropriate appointment. Thank you again.

Sincerely,

John W. Macy, Jr.
