Dear Dr. Hector:

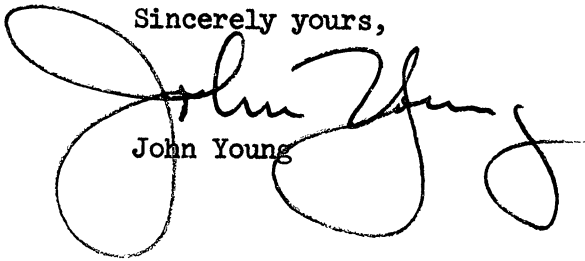

This letter is in further response to my letter to you of August 21 concerning your request for a number of publications from the Bureau of the Census.

Enclosed herewith are the Series P-20 Current Populations Reports which you requested. I have been advised by the Census Bureau that the 1970 Subject Reports will be forwarded to you from their Publications Distribution Branch in Jeffersonville, Indiana, and that you should be receiving them in the near future.

Dr. Hector, I was glad to be of service to you in this matter and if I can be of any further assistance, please let me know.

With kindest regards, I am

Sincerely yours,

  
John Young

Dear Dr. Hector:

I enjoyed the opportunity to visit with you on long distance this afternoon and I have placed in the mail to you today, copies of the "Directory of Public Elementary and Secondary Schools in Selected Districts" covering the years 1969-70 and 1971-72.

HEW officials indicated that the directory for 1973-74 will not be available until late Spring 1975 and I will be glad to assist you in securing this information at that time. I am happy that I could be of service in your request and am returning your check herewith.

With kindest personal regards, I am

Sincerely yours,

John Young

Dear Dr. Hector:

I genuinely appreciate your letter and long distance call on behalf of Mr. Helio Perez of Robstown who is interested in employment as a plumbing inspector with HUD in the Robstown-Corpus Christi area.

I am glad to hear from you and to have your expression of high regard for Mr. Perez. I have contacted Mr. Finnis Jolly, Director of the San Antonio Office of HUD calling attention to Mr. Perez' keen interest in a plumbing inspector position and furnishing background information on work experience and related qualifications as outlined in his resume which he sent me. Just as soon as I receive any information in this regard, I will advise you.

With kindest regards, I am

Sincerely yours,

John Young
