Dear Dr. Garcia,

I want to thank you and the "Comite Mejico Americano Para Leales Democratras" for the contribution to the Nueces County Democratic Party Voter Registration Drive.

We are initiating a block captain program in our target area precincts. The targeting was based on election returns from the general elections in 1968, 1972, and 1970. Those precincts voting 70% or more Democratic are our target precincts. We have hired telephone workers who are recruiting the volunteer block captains, and the results to date have yielded approximately 200 block captains. The block captains are assisting in voter registration and will also help campaign and get out the vote on November 2nd.

Each block captain is deputized and receives an official block captain kit. Contained in the kit is a personal letter from Mr. Whittle, instruction sheet, personal official badge, registration forms, pens, etc. The reason for the kit is to give the people something recognizing them as an official block captain for the Nueces ~~County~~ Democratic Party. Their enthusiasm is high and our goal is to achieve a clear margin of victory for all Democrats on the ballot.

The other part of our program is utilizing volunteer help on week-ends to register voters at shopping centers. They have all ready begun a successful drive.

Once again, thank you for the contribution. I wanted to inform you of our projected plans. If you have any questions or ideas we can integrate with ours, please feel free to come by headquarters and share them with us. We would be proud to show you our project in action.

We are most grateful for your interest.

Sincerely,

Project Coordinator
